Richard Williams Thursday June 7th

The renowned music, sports and motor racing writer joins us for a discussion of Enzo Ferrari, but polymath Richard will no doubt be happy to talk about anything from Jim Clark to John Coltrane.

Stuart Graham Wednesday June 27th

Given our links with John Surtees and the HSF it is only fitting that Stuart Graham should join us to discuss his varied career with his success on two and four wheels, as well as in business. A charming and accomplished man this will be an evening full of interest and reminiscences.

The Swift Gallery 60kms Saturday September 22nd/ Sunday September 23rd

A little active fun as we repeat last year's 10kms jog and 50kms bike ride.

There will be 5k jog, 5k walk and a canalside bike ride as options over the weekend.

Prolific author David Tremayne's latest book is the acclaimed biography of Jim Clark, *The Best of the Best*. In an extraordinary career not confined to writing, David has also shown his skills and commitment through his direct involvement chasing the British Land Speed Record.

Douglas Niven, cousin of Jim Clark and trustee of the Jim Clark Trust joins us to outline the work of the Trust and discuss the new Jim Clark Museum.

Nigel Roebuck Thursday September 27th

Once again Nigel has kindly offered to join us to discuss the state of Formula One, past and present. Always a popular evening, early booking advised.

Pie and Quiz Night Thursday October 18th

Our annual closing event, Pies, Pints and a motor racing quiz. A little fun, not that anyone would know that from the competitive instincts of our guests!
